

**SECOND AMENDMENT
TO THE
SERVICE PLAN
FOR
COLLIERS HILL METROPOLITAN DISTRICT NOS. 2 AND 3**

May 22, 2017

Prepared by
White Bear Ankele Tanaka & Waldron
2154 E Commons Ave.
Suite 2000
Centennial, CO 80122

I. Introduction

The original Service Plan for Colliers Hill Metropolitan District Nos. 1, 2 and 3, dated November 16, 2007, was approved by the Town of Erie (the “Town”) pursuant to the Town’s Resolution No. 07-139 on November 27, 2007. The Districts were initially named Bridgewater Metropolitan District Nos. 1, 2 and 3, then changed to DayBreak Metropolitan District Nos. 1, 2 and 3 on June 7, 2013, by order and decree of the District Court for Weld County, and were changed again to Colliers Hill Metropolitan District Nos. 1, 2 and 3 on March 25, 2014, by order and decree of the District Court for Weld County.

Subsequent to the creation of the Districts, development within Colliers Hill Metropolitan District No. 1 was performed by separate ownership, independent and prior to the development within Colliers Hill Metropolitan District Nos. 2 and 3. Due to the nature of the different ownership of the developments, this Second Amendment to the Service Plan (“Second Amendment”) for Colliers Hill Metropolitan District Nos. 2 and 3 (the “Districts”) is intended for and applies only to the Districts, and is submitted by the Districts in accordance with the requirements of Section 32-1-207(2) of Title 32, Colorado Revised Statutes, and Title 9, Chapter 4 of the Erie Municipal Code.

On October 11, 2016, a First Amendment to the Service Plan (“First Amendment”) for Colliers Hill Metropolitan District Nos. 2 and 3 was approved by the Town pursuant to the Town’s Resolution No. 16-166. The singular purpose First Amendment increased the amount of the Districts’ one-time per unit development fee. The remainder of the original Service Plan was left unchanged with respect to the Districts.

The singular purpose of this Second Amendment is to increase the amount of the aggregate Debt Limit authorized for and allocated to the Districts (without any increase to the Maximum Mill Levy or its Imposition Term) to better accommodate the Districts’ financing and refinancing of the updated and actual costs of public improvements. Updated Exhibits D and F are attached hereto. The remainder of the original Service Plan and the First Amendment, relative to the Districts, are left unchanged by this Second Amendment.

II. Total Debt Issuance Limitation Increase [Section V(A)(7)]

Section V. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES; (A) Powers of the Districts and Service Plan Amendment; (7) Total Debt Issuance Limitation is hereby amended as follows:

Total Debt Issuance Limitation.

The Districts shall not issue Debt in an aggregate combined principal amount in excess of \$60,000,000, provided that the foregoing shall not include the principal amount of Debt which has been refunded by the issuance of refunding Debt nor shall it include any amounts equal to the net proceeds of such Debt that are applied to paying debt service on such Debt or otherwise

used to defease such Debt, exclusive of reserve funds or capitalized interest or other amounts that were intended as of the date of issuance to pay debt service on the Debt.

An updated Financial Plan attached hereto as **Exhibit F** for both District No. 2 and District No. 3, describes (a) how the Public Improvements have been and are expected to be financed; (b) what Debt is outstanding and how future Debt is expected to be incurred; and (c) the estimated revenue and expenses.

Section V. DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES; (B) Preliminary Engineering Survey is hereby amended as follows:

Preliminary Engineering Survey.

The Districts shall have authority to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment, maintenance, and financing of the Public Improvements within and without the boundaries of the Districts, as more specifically described in Exhibit D. An estimate of the costs of the Public Improvements which have been and may be planned for, designed, acquired, constructed, installed, relocated, redeveloped, maintained or financed was prepared based upon actual incurred costs and a preliminary engineering survey and estimates derived from the property in the Districts' Boundaries and is approximately \$45,476,546 and, as more specifically detailed in **Exhibit D**.

III. Conclusion

This Second Amendment, along with the previously approved First Amendment and original Service Plan as it applies to the Districts, as required by § 32-1-203(2), C.R.S., has established that:

- (a) There is sufficient existing and projected need for organized service in the area served by the Districts;
- (b) The existing service in the area served by the Districts is/was inadequate for present and projected needs;
- (c) The Districts are capable of providing economical and sufficient service to the area within its boundaries; and
- (d) The area included in the Districts does and will have the financial ability to discharge the outstanding and proposed indebtedness on a reasonable basis.

EXHIBIT D
Description of Public Improvements/Cost Estimate

Public Improvements as described in Development Plans for the Project.

Districts also have the power to exercise all necessary and implied powers under Title 32, C.R.S. in the reasonable discretion of a Boards of Directors including the following:

a. Streets.

Streets, curbs, gutters, culverts, other drainage facilities, sidewalks, bridges, parking facilities, paving, lighting, grading, utility relocation necessitated by public rights-of-way, monumentation, signage, snow removal, streetscapes and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, equipment, land and easements and extensions of and improvements to such facilities.

b. Traffic and Safety Controls.

Traffic and safety protection facilities and services provided through traffic and safety controls and devices on streets, highways and at railroad crossings, including traffic signals and signage, striping, area identification signs, directional assistance, driver information signs, lighting, and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, equipment, land and easements, and extensions of and improvements to such facilities.

c. Water.

Potable and non-potable water supply improvements, including water rights, storage facilities, transmission and distribution lines, pumping stations, fire hydrants, meters, facilities, equipment, and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, equipment, land and easements, and extensions of and improvements to such facilities.

d. Storm and Sanitary Sewer.

Storm and sanitary sewer collection and transmission improvements, including storage facilities, collection mains and laterals, pumping stations, lift stations, transmission lines, storm sewer, flood and surface drainage facilities and systems, and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, equipment, land and easements and extensions of and improvements to such facilities.

e. Parks and Recreation.

Public park, open space and recreation facilities or services, including parks, bike paths, pedestrian ways, public plazas and courtyards, water features, signage, monumentation, art, gardens, picnic areas, recreation facilities, playground equipment/areas, park shelters, public area landscaping and weed control, streetscaping, outdoor lighting of all types, and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, equipment, land and easements, and extensions of and improvements to such facilities.

f. Transportation.

Public transportation systems and improvements, including equipment, park and ride facilities and public parking lots, shuttle facilities, parking structures, signage, roofs, covers, bicycle racks, other transportation-related facilities and related landscaping and irrigation improvements, together with all necessary, incidental and appurtenant facilities, land and easements, and extensions of and improvements to such facilities or systems.

g. Mosquito Control.

Systems, methods and services for the elimination and control of mosquitoes and other pests, together with all necessary, incidental and appurtenant facilities, land and easements, and extensions of and improvements to such facilities or services.
